THE JOE NIEKRO FOUNDATION LEGACY

JNF FANTASY CAMP

REGISTRATION FORM

The Joe Niekro Foundation (JNF) was established in 2007 in honor of the founder's father, Joe Niekro, who lost his life on October 27, 2006 from a sudden ruptured brain aneurysm. The astonishing lack of public awareness and research of such a widespread and often fatal condition led to the launch of a crusade to stimulate awareness about aneurysms.

The Joe Niekro Foundation is committed to

aiding in the research and treatment of aneurysm patients and families. Our goal is to raise awareness about aneurysm factors, causes and treatments and support research. Funds are used to educate the public

about brain aneurysms, provide ongoing support of patients and families, and develop awareness programs for hospitals, treatment centers and neurological institutions. The Joe Niekro Foundation is a registered 501(c)(3) which means your donations are 100% tax deductible.
